

LSCA 2024 Research Grant

This \$500 grant is sponsored by Louisiana School Counselor Association and is awarded to one graduate student, professional school counselor, or counselor educator each year. The award is designed to be used to support research in the area of school counselor effectiveness, transformation of the school counseling profession, or school counselors and student outcomes.

Applicants must be a current member of the Louisiana School Counselor Association. The recipient shall demonstrate that monies are for scholarly research in the field of school counseling.

RESEARCH INFORMATION:

Please include in your application a one-page description of the study including the need for the study or program/project and a brief review of related literature, research or program objectives, expected outcomes/hypothesis, methodology, participants, and a budget including how grant funds will be spent, IRB approval, and an estimated cost of the project. Additionally, please state the potential impact of the project.
